

# COURSE DATA SHEET

## | Emergency First Aid at Work (Electrical)

Has your workplace first-aid risk assessment identified the need for an Emergency First Aider in the workplace?

As an RQF Level 3 Award/SCQF Level 6 Award, this 1-day course meets the requirements of the Health and Safety (First Aid) Regulations 1981 and the Health and Safety (First Aid) Regulations (Northern Ireland) 1982.

### Who is this course for?

The course is aimed at those who require the skills and knowledge to provide Emergency First Aid within a Workplace, in a prompt, safe and effective manner.

### Course Content

- Responsibilities and reporting
- Assessment of the situation
- Dealing with an unresponsive casualty
- Basic hygiene in First Aid
- Resuscitation and AED awareness
- Anatomy
- Minor injuries
- Bleeding control
- Burns
- Choking
- Epilepsy
